

Information of the data subjects (app users) in case of direct collection (Art. 13 DS-GVO)

Person responsible:

WITTMANN Technology Ges.m.b.H., Lichtblaustrasse 10, 1220 Vienna (Austria)

Legal representative:

The management

Data Protection Officer:

DataOrga GmbH, e-mail: privacy@wittmann-group.com

Information on the processing activity:

Purposes of the processing activity:

When you use our WIBA apps, we automatically collect certain data to improve the performance of the app. This includes information such as IP address, device information, operating system, browser type and usage time.

Legal basis of the processing activity:

The processing is necessary to protect the legitimate interest of the controller or a third party pursuant to Art. 6 (1) f DS-GVO and no interests or fundamental rights and freedoms of the data subject are overridden (use of technical data with possible personal reference without interfering with the personal rights of the user).

Categories of recipients:

Internal (IT department)

Data transfer to a third country:

There is no planned transfer to third countries.

Additional information requirements:

Storage period of personal data:

The personal data will be deleted by us as soon as the purpose of storage ceases to apply and no legal regulation permits or requires further storage.

Rights of the data subject:

You have the right to obtain information (pursuant to Art. 15 of the GDPR) from the controller about the personal data concerning you, as well as the right to rectification (Art. 16 of the GDPR), erasure (Art. 17 of the GDPR) and restriction of processing (Art. 18(1) of the GDPR). Furthermore, you have the right to object to processing (Art. 21 DS-GVO) and the right to data portability (Art. 20 DS-GVO).

If you would like to exercise your rights, please contact the above-mentioned data protection officer.

Right of appeal:

You have a right to complain to the competent supervisory authority.

Obligation to provide the personal data:

You are not obligated to provide the data.

Automated decision making:

There is no automated decision making or profiling.
